

SUMMER CAMPS GENERAL INFORMATION

We look forward to having you stay with us on your summer camp. The information below should help you prepare for the week.

ARRIVAL

If you are staying with us:

Please aim to arrive between 5.30pm–8.00pm and get your parent or guardian to sign you in.

Our bar is open throughout the afternoon and will be serving bar meals from 5.00pm if you would like to enjoy a meal with your parent or guardian before the start of your week.

At 8.00pm our Duty Instructor will welcome you, provide a familiarisation tour and fire safety information. You will then receive your room key, meet your roommate and settle in.

If you are travelling by train to Llandudno Junction, then we will collect you from the station at 6.30pm or 9.30pm. Please arrange collection in advance by completing the relevant section on the parent/guardian form. Try to get a train as close to these pick up times as possible so you don't have to spend time waiting around at the railway station. If you are being picked up from the station at 9.30pm we will arrange a separate welcome briefing on arrival at the centre.

DEPARTURE

On the final day of your course please arrange to be collected between 5.00pm and 6.00pm. Before you leave the centre, please make sure your parent or guardian has signed to say they are collecting you.

If you are travelling by train we will drop you off at the station after your course; an instructor will accompany you to your train. Please do not book a train that is leaving Llandudno Junction before 6.30pm as we cannot guarantee to be there in time for earlier trains.

DAILY ROUTINE

Breakfast is from 7.30am; packed lunches can be collected during this time. Please make sure that you are up and dressed ready for breakfast.

On the first day everyone will meet at 9.00am for a briefing with the Duty Instructor and to be introduced to your course director and instructors.

You will then be on activity for the rest of the day.

Dinner will be at 5.30pm and the evening activity sessions will commence at 6.30 to 8.30pm. Once you have finished your evening activity session there will be time to get changed ready for some hot chocolate, toast, fruit and cereal at 9.00pm.

The evening activity sessions will range from bouldering, climbing wall and paddling.

It is important that you have plenty of rest/sleep during your stay ready to make the most of the activities. Therefore we want you into your bedrooms and lights out by 10.30pm.

Any problems day or night there is always someone at reception happy to help.

IF YOU ARE COMING IN EACH DAY

You will need to arrive at 8.45am so you have time to be signed in by your parent or guardian and then be ready to meet your instructor at 9.00am on the first morning and 9.15am for the rest of the week. You'll be back from activities by 5.00pm each day and can be collected by your parent or guardian then (please ensure they sign you out).

There will be more activities from 6.30pm-8.30pm which you are welcome to stay for. Arrangements need to be made for a parent or guardian to collect you at 8:30pm (again please ensure you are signed out). If you choose to stay for the evening activities you can either bring a packed tea or you can book and pay to have dinner in advance with reception.

Make sure you don't forget to bring lunch, snacks and plenty to drink each day and if you are staying later a packed tea (or booked and paid for dinner).

Before you leave the centre each evening please make sure your parent or guardian has signed to say they are collecting you. If there are any problems, there is always someone at reception who will be happy to help.
